[Fall 1961]

Landscape Service

We are well equipped with material and trained men to give our usual care and attention to your planting requirements.

Phone CAPITAL 9-2587 for an appointment so that we may call on you to make suggestions.

When plans are necessary a moderate charge will be made, which will be credited to the customer's account when the order is placed.

Plant Market

We have a plant market near our office, primarily for customers who wish to buy plants to take home and plant themselves.

This market will be stocked with most varieties listed in the catalog ready to be put right in your car. All plants will be labeled and priced. You will be able to make your selection without waiting.

Gift Certificates

For that special or out of season gift, a gift certificate (for any amount of specified plant material) may be had upon request.

Replacement Policy

Plant material not living one year after purchase will be replaced once at ½ cost plus labor charges—provided the account is paid within 60 days from the date of billing or agreed upon terms of sale, and provided the plants have received proper care.

Special Selection

Plant material specially selected at the nursery will be sold at prices commensurate with the value of the specimens chosen, irrespective of the list prices.

Terms

Our usual terms are payment within 30 days after date of bill.

Turner Bros.' Budget Plan

Our budget plan is available to customers who may wish to complete a planting program at one time, but would like to extend payments over a longer period. This will enable you to enjoy the planting immediately and also gain the value of the added growth instead of waiting. Ask for further information.

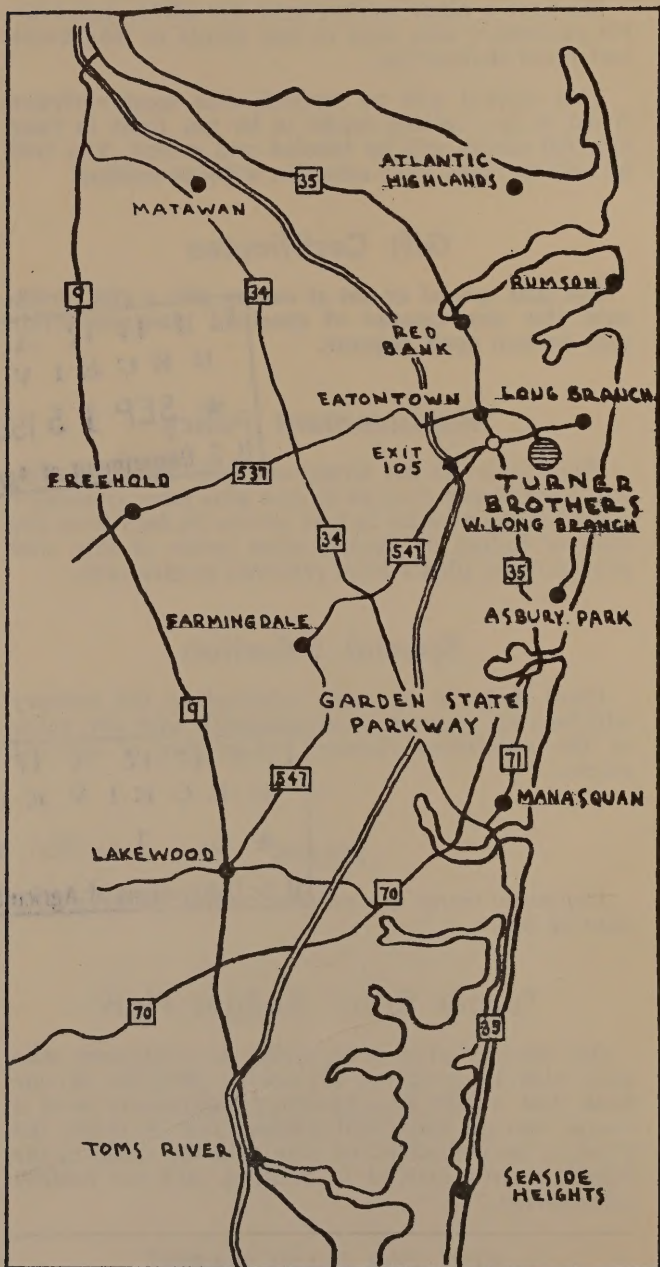

DIRECTIONS TO GET TO OFFICE OF NURSERY

Consult Map Below

You will notice that the office is located approximately 400 yards South of the intersection on Rt. No. 71 and Monmouth Parkway, which leads to the Race Track.

The Nursery is located 6 miles South of Red Bank, N. J., 6 miles North of Asbury Park and 15 miles East of Freehold.

If using the Garden State Parkway, leave at Exit No. 105, in Eatontown.
